Subject: Gate Repair at Falcon Refinery
Date: Thursday, November 14, 2013 8:52:39 AM

Brian:

Just want to follow-up on our discussion yesterday. We have received bids from local fence companies for the repair of the gate on the Lazarus Refining property. The lowest cost is \$1,460 for the required repairs from D & C Fence Company in Corpus Christi. Based on our discussion, we will proceed with these repairs and include the costs in Task 3 (Field Investigation).

We will send staff from our Houston office to QC the repair and obtain written acceptance of the repairs from Lazarus Refining. We will also conduct a round of well gauging and evaluate the wetlands north of the site for possible background samples on the visit. We anticipate that trip will require a stay of one night in the area for the staff of 2.

Let me know if you have any questions.

Thank you,
Bob Owens
